About Jeevodaya

Jeevodaya is a non-profit organization started in the year 1999 with the passion of helping children who are living alone in and around railway stations, runaway and missing children by providing food, shelter and education. To make Itarsi a child friendly station in 1999 Sr. Clara, Sisters of St. Joseph of Chambery started Jeevodaya society. Over the past 20 years Jeevodaya has given support to more than twelve thousand children a secure and dignified life by reunification to their own family, rehabilitation, vocational training and job placement.

In the course of the journey, Jeevodaya learnt that, if these children are not reached out to in a timely manner, they could end up begging, child labour, getting involved in anti-social activities and trafficked for flesh trade. Moreover, they would lose the opportunity of enjoying childhood and would be denied of

developmental opportunities. Thus, Jeevodaya decided to work in ITARSI and started a temporary shelter home for children in need of care and protection in collaboration with west central railway women's welfare organization. Also established long term shelters for girls and boys with the support of Donors and congregations. Jeevodaya ensures these children are provided education, vocational training, care and affection up to 18 years and support the youth above 18 years through vocational training and higher education.

In 2021 Jeevodaya celebrates its completion of 22 years of journey from the railway platforms of Itarsi railway station to providing quality residential facilities to rescued children through Child Care institutions and various other related programs for the holistic rehabilitation of the children.

Message from Director

Dear Jeevodaya supporters,

Despite the unprecedented challenges of the pandemic years, we are happy to report that we ended 2021-22 on a high! For us, it has been a period of organisational learning and growth. Keeping our core mandate of one child, one family and one community at a time - we were able to create meaningful and lasting impact.

Against all odds, we continued conducting our educational programmes, and through our health and documentation initiatives - we strengthened our ties with the wider community. Our team of administrators and teachers went above and beyond to implement our vision, and truly showed us the power of investing in people. Any meaningful progress towards empowerment is only possible through genuine engagement of all stakeholders, and it has been heartening to witness our extended team take ownership of our vision.

It was also a year of affirmations. Through knowledge sharing, resourcing and new partnerships, we have been heartened by the bolstering of like-minded individuals and organisations championing the same cause. Their support has been instrumental in our growth - encouraging us to reflect, resolve and better ourselves.

We look forward to learning a lot more in 2022-23!

Thank you for staying with us!

with much love

Message for Jeevodaya

I have known the work being done by Jeevodaya since I was SP Hoshangabad more than a decade back. The labor of love with the children on the railway station, helping them make their lives little by little, is commendable.

Last year (2021) I also had the opportunity to attend the Annual function of the organization and it was wonderful to see how the children are shaping up-sensitive, talented and happy.

May the efforts of the organization, their partnership with other stakeholders and the lives of these children bloom of prosper.

Wishing the organization grows from strength to strength.

प्रत्येक जीवन को अपनी क्षमता तक समृद्ध होने और खिलने का अधिकार है। यह खुशी और गर्व की बात है कि महिला एवं बाल विकास विभाग के साथ मिलकर 'जीवोदय' देखभाल की जरूरत वाले बच्चों के बचाव, पुनर्वास और पुनर्मिलन में एक महान सेवा कर रही है, विशेष रूप से इटारसी रेलवे प्लेटफॉर्म से बचाए गए बच्चों की सुरक्षा के लिए इन बच्चों के जीवन में आए सकारात्मक बदलाव उन्हें सम्मान के साथ बेहतर सामाजिक, आर्थिक स्तर पर मुख्यधारा में वापस लाने में मदद करेंगे।

मुझे उम्मीद है कि जीवोदय बाल अधिकारों और पुनर्वास के लिए सक्रिय प्रयास करता रहेगा। जीवोदय की पूरी टीम को मेरी ओर से हार्दिक शुभकामनाएं।

Case Studies

Case Studies-1: Amita, is 12 years old and admitted in Jeevodaya in 2020 by the CWC. She is abandoned by her parents with her 02 younger siblings in a distant relatives (Aunts) house. There, these 3 children faced cruel abuse by the Aunties son and husband sexually and physically. Amita hand was broken due to the physical torture she faced as she resisted the abuse.

When she came to Jeevodaya, she was very frightened and lost all confidence, she was given psychological support and counselling, and given medical treatments for regaining health. Correction surgeries are done 2 times for her broken hand for the proper movement.

After completing her legal process, we have took her admission in school and she is studying in 3rd standard today. She is very interested in studies and making progress. Her case is going on in the court, she fights for it and Jeevodaya supports her building up her life.

Case Studies-2 : Malti is 8 years old and from a very poor family basically from Narmadapuram district, her mother has expired and father is a daily wager. When her father was arrested by police in a case, Malti and her brother was with her grandmother – who is very old and engaged in begging.

Malti`s grandmother was not able to look after her, and she was used to bed along with her grandmother and others. Later Malti was found near Itarsi railway station on railway lines in a dangerous situation and rescued by the RPF. She then, admitted to Chirag by the CWC on 2021. Now Malti is studying in class 2nd and very active. By considering the conditions, her brother also admitted in Jeevodaya boys home later.

Now Malti is free from begging and roaming around with her grandmother. She is given psychological and education support and looking forward to a bright future.

Case Studies-3 : According to the child's statement, the child said that he had come from Mandideep to Itarsi with an uncle to go to his maternal grandfather's house. He came to Itarsi with uncle and uncle left the child at the platform, sitting alone on the bench. The member was informed by a stakeholder through call, the child was rescued through by Child Help desk Staff, the information of the child was given in the Deputy SS Office and in the GRP thana and the family was contacted on the call. The child was handed over safely to the family in coordination with CWC.

Feedback from volunteers and Interns

I am Pratham Malviya currently pursuing B.Tech CSE from LPU, Punjab. I am very glad to complete my internship (Community Development Project) from Jeevodaya Society under support, guidance and training from training staff of CHILDLINE (1098). A wonderful opportunity for me to learn and grab a lot of things in a very short period of time. All staff members are well trained in their own field which helps me to give my 101% in my presentation. It helps me to explore myself in various different fields. Basically I am from the IT sector but it helps me learn about community and opportunity to work with social workers. I had a fabulous experience with Jeevodaya society. Thank you so much for helping me.

This internship made me less feel like a work and more like the thing that I've always wanted to do that was to do help the children who lack certain facilities.

This NGO has been working from a long time for uplifting several children and for creating a better and just society. I really appreciate their work and wish them all the best of luck for the coming years.

I thoroughly enjoyed my internship this summer and now have very valuable experience under my belt. I know this will help when looking for jobs and needing references. I was dreading it in the beginning, but now I am so happy it was required. In the internship with Jeevodaya I have learnt how to connect with people socially and also to help the Children and the problems faced by the NGO to perform the work for the social cause. Doing an internship was one of the best decisions I have made, both professionally and personally and is an experience that I will cherish and value forever.
